## Community use of space in schools

Schools are hubs for community activities. They are places where people of all ages come to meet, dance, sing, paint, play and learn.

If you need space for a community, educational, cultural or recreational activity or event for youth or adults, look no further.

Hastings and Prince Edward District School Board has over 50 school facilities in communities from Prince Edward County to Maynooth and Quinte West to Deseronto.

Schools offer affordable and accessible space for community use outside school hours—auditoriums, classrooms, gymnasiums, lecture theatres and sports fields.
