

# HPEDSB District Tournament Schedule 2016-2017

1. Dates included in this schedule were discussed and agreed upon by those members in attendance at the Spring General Meeting on **June 16<sup>th</sup>**, and will not be changed. Requests for these dates will be made with various facilities throughout the school year and are subject to change if the facilities are not available as requested. Confirmed locations of events will be shared out by convenors and/or the EAA Executive with appropriate schools as this information becomes available.
2. All alternate dates for District events are “to be determined”, as we are unable to confirm with certainty the availability of these dates for both HPEDSB and outsourced facilities.

**Please Note** – Should the proposed event dates be unavailable or cancelled due to weather, an alternate date will be communicated once availability of a site and date are secured. There is the possibility that these rescheduled dates may conflict with other activities which schools have planned. Schools will then need to make site-based decisions regarding which events they will attend.
