PLEASE NOTE:

- **All schools must** confirm their wish to participate with the convenors of their tournament (see District Schedule), for both boys and girls teams, by Friday September 16th. Convenors may need to say no to late confirmations and last minute changes and schools need to be aware that such requests may not be granted.
- Out of District Schools need to be contacted by their associated School Group Rep (see EAA website under 'Quick Links' and 'School Group Destinations') regarding their participation in these events. Out of District Schools should be directed to advise EAA Convenor Coordinator Lisa McGeachy (lmcgeachy@hpedsb.on.ca) of their wish to participate by Friday September 16th. Out of District Schools will be designated a spot in one of the tournaments based on tournament schedule needs (e.g., to create equal numbers of schools in Pool A & B, to keep tournament sizes manageable, etc.).
- All applications to opt up a division and/or enter more than one team need to be made in writing and forwarded to EAA Convenor Coordinator Lisa McGeachy (lmcgeachy@hpedsb.on.ca) by Friday September 16th. There will be no exceptions. Applications will be discussed with convenors and granted as numbers and facilities permit.
