

Mission Statement: “Education through school sport”

The Elementary Athletic Association is committed to providing an educational sport environment in which all individuals are treated with respect.

Code of Conduct

- All coaches, students and parents/spectators shall conduct themselves, at all times, in a fair and responsible manner and refrain from comments or behaviours that are disrespectful, offensive, or abusive. The EAA will not tolerate behaviour that constitutes harassment, abuse or bullying.
- Coaches are educators first and foremost. Decisions of officials are to be accepted. If an issue needs to be addressed, a convener may be approached in a respectful, professional manner.
- Students need to remember that they are participating in school athletics. School athletics are an extension of classroom learning and the expectations for behaviour remain the same.
- Parental support is valued and encouraged. Parents and spectators must conduct themselves in an appropriate manner and act as positive role models for all participants.
