

Online Math Homework Help for Grades 7 –1 0 Students

Have a child who doesn't quite understand how to add fractions?
Or maybe your teenager is struggling with a geometry assignment?
Extra help is now available.

All eligible grade 7-10 math students in the Hastings and Prince Edward District School Board have access to online math Homework Help, where certified Ontario teachers are online 20 hours a week to provide free math tutoring.

Students can log in Sunday to Thursday, 5:30 p.m. to 9:30 p.m., for one-on-one confidential help. There are interactive discussion rooms for each grade where they can view to the current lesson, watch tutors draw on the whiteboard — and then type their own question for on-the-spot help.

Other math resources on the website include videos of teachers leading students through the top 20 most commonly asked math problems, interactive math tutorials and highlights of best sessions. And all students have a virtual locker, where their work is saved in video format for viewing anytime.

Go to <http://Homeworkhelp.ilc.org> and create a guest account. You can view the wonderful math resources or enter a room and watch the tutors in action! For more information or questions regarding Homework Help or any other e-Learning resources, please contact Amanda Allison at aallison@hpedsb.on.ca or (613)966-1170 ext 2113.
