Access to Free Online Math Homework Help for Grades 7, 8, 9 and 10

The Hastings and Prince Edward District School Board in partnership with the Ministry of Education and the Independent Learning Centre is pleased to bring the Homework Help program to students. This program offers free math help for students in Grades 7, 8, 9 and 10 as well as help to older students enrolled in grade 9 or 10 math courses.

Key features of the site include:

- ✓ Ask a Teacher interactive tutorial rooms with Ontario Certified Teachers
- ✓ Listen and Learn Lessons
- ✓ Interactive Tutorials

Students will have access to both guided and independent learning in a unique environment that combines technology and personal interaction. The integration of technology into teaching and learning enables students to have access to a wide range of educational tools and learning resources for increased student achievement.

The screenshot shows the Homework Help website interface. At the top, there is a blue header with the 'Homework Help' logo and the text 'MATHEMATICS FOR GRADES 7, 8, 9 AND 10 STUDENTS'. Below the header, there is a search bar with the text 'Search for: (eg: Integers, Obtuse Triangle, Pythagorean Theorem)' and a 'Search' button. On the left side, there is a 'Resources' menu with various options like 'TUTOR CHAT ROOMS', 'TUTOR BIOS', 'BEST SESSIONS', 'LISTEN & LEARN', 'TUTORIALS', 'Teachers', 'KEY INFORMATION', 'CLASSROOM TOOLS', 'JOB OPPORTUNITIES', 'Tools', 'LOCKER', 'CALCULATOR', and 'GLOSSARY'. The main content area features a large image of colorful pencils and the text 'Welcome back to school' and 'Welcome to Homework Help'. Below this, there are three buttons: 'Watch the tutors in action', 'Get on the spot homework help', and 'Check out your virtual locker'. On the right side, there is a 'RECENT SEARCHES' section with a 'POLL' question: 'Which is the smallest of the seven greatest North American cities (a city itself, not its metropolitan area)?' with radio button options for Chicago, Havana, Houston, Los Angeles, Mexico City, New York, and Toronto. There is also a 'PARTNERS' section with logos for Ontario and tvo.

Student Accounts

Students have obtained registration information at their schools and are in the process of registering for an account with their math teachers. Registration can also be done at home if your child has not obtained an account at school.

Go to <http://Homeworkhelp.ilc.org> and register your child for a student account. You will need to provide your child's

Ontario Education Number (OEN) & Date of Birth

Please note: OEN numbers can be obtained from any student report card, student timetable or directly from your child's school.

Guest Accounts

Parents may obtain guest accounts. Simply select "guest" as the account type when registering. Guest accounts allow parents to explore the resources on the site and watch the interactions between students and tutors.
