

Welcome to a special edition of the The OERB Newsletter! This publication highlights newly created interactive **French** resources from the **O**ntario **E**ducational **R**esource **B**ank for each teaching division. The OERB is a collection of over 23,000 K-12 resources which are available at no cost for *teachers*, *students*, and *parents of students* in publicly funded schools in Ontario. These resources are created by teachers for both teachers and students, and include worksheets, lesson plans, interactive learning objects, and even entire teaching units. They are available in a variety of formats including Word, WordPerfect, PowerPoint, PDF, and Flash.
