

Teacher Homework Help Instructions

Homework Help has been expanded province wide. This year the province is funding an eLearning Contact Teacher position for each board. The role encompasses Homework Help in addition to; eLearning, Blended Learning, and OERB-OSAPAC resource promotion. All current grades 7 through 10 students can be registered for Homework. Classroom teachers will need to help assist grade 7-10 students in the registration process. Assistance can be provided.

Accompanying these instructions you will find the following:

- A letter to go home to parents
- Registration instructions for students
- Registration instructions for teachers
- Instructions for registered students who have forgotten their Password and/or Username
- A Homework Help Assignments-Can be accessed via email aallison@hpedsb.on.ca**
- Powerpoint
- Video

Helping Your Students Register

What you will need:

Student OEN's

To register, students require their OEN (Ontario Education Number) found on their report card. A class list of student names and OEN's can be exported from Maplewood by your office staff.

Student Registration Instructions

Copy for each student.

Important

OEN Confidentiality

OEN's must remain confidential. Once students have successfully registered, obtain the OEN's back from them and ensure they are disposed of in a secure manner.
