

## HOW TO MAKE A DONATION TO FOOD FOR LEARNING

Food for Learning exists solely through the generous donations and support received from the local community. Volunteers, cash donations and in-kind contributions are the keys to the success of our school nutrition programs.

You can help to ensure that all children in Hastings and Prince Edward Counties are well nourished and ready to learn in any of the following ways:

- make a cash donation to Food for Learning
- provide an in-kind donation of food, supplies, kitchen appliances, etc. to a school near you
