 - SMARTteaching

The screenshot shows the main page of the Numeracy website. The header includes the Hastings and Prince Edward District School Board logo and the word "Numeracy". A navigation menu on the left lists "View All Site Content", "Discussions", "Documents", "Lists", "Sites", and "Help?". The main content area features "Announcements" (no active announcements) and a "Calendar" entry for 9/22/2009 9:00 AM titled "ONAP Meeting". A "Links" section on the right provides quick access to "HPEDSB Elementary Numeracy Web Pages", "HPEDSB Secondary Mathematics Web Pages & Links", and "Do The Math - Marilyn Burns & Scholastic".
