

Have Your Say (Again)!

During our last New Marmora School Renaming Committee meeting on May 2, 2017, we looked at all the submissions for names, colours and mascots for the new school. The list of names was narrowed down to four:

Crowe Valley Public School, Crowe River Public School, Marmora Elementary School, or Marmora Public School

WE WANT TO HEAR FROM YOU! Please find below a tear away ballot for your input. We will be encouraging community members to participate in the selections as well. It is very important that our students, parents, community and staff have a voice in naming the new school.

Please return the ballots to your home school by Wednesday, May 31, 2017.

As you can see from the list of potential names, the majority of submissions involved connections to **water** or the village of **Marmora**. **Crowe Lake** and **Crowe River** (encompassed by **Crowe Valley**) are close to our new school and are a significant part of our community.

We want to thank everyone for their submissions. After reviewing all suggestions, the New Marmora School Renaming Committee will present the new name to the School Board in June. This is an exciting time and we are glad that you have partnered with us on this historic occasion!

Please rank your favourite School Name (1 favourite – 4 least favourite)

	Crowe Valley Public School
	Crowe River Public School
	Marmora Public School
